ACTIVITIES OF IOD FOUNDATION

Charity and philanthropy have formed the core of every society across the globe. The Indian scenario is no different. But what had started with the giving away of aims, establishment of inns for travelers or even arrangements of drinking water on highways, has outgrown into something much more homogenous. The formation of foundations, trusts, societies, and company's not-for-profit go a long way, in justifying the above statement.

It is more than imperative that each 'IOD Foundation' abides by principles of good governance in true letter and spirit. It is a vehicle for undertaking activities of charitable and philanthropic nature, which seek to promote the goals of inclusive growth and development in the economies globally.

IOD Foundation acts as a support system by taking care of, serving and addressing certain pressing issues in the economy. Protection of Children Rights, Women Empowerment, Senior Citizens, Enabling Persons with Disabilities, Promoting Education, Health, Natural Resource Management, Supporting Development of Agriculture, Promoting Art and Craft, Preserving the Cultural Heritage, etc., are just an indication of the vast variety of areas in which it can work to bring about a difference in the society.

Since 'IOD Foundation' relies on money from various sources, including individual donors, foundations, corporations, and governments, its utmost responsibility is to ensure highest

standards of good governance in managing and carrying out its affairs. Though the Code that follows does not attempt to enlist all applicable legal requirements for charitable entities, yet it is intended at prescribing a set of principles and standards which are to be adopted by 'IOD Foundation' on a voluntary basis to ensure enhanced levels of transparency and good governance in its functioning.

'IOD Foundation' has been setup to support the cause of upliftment of the segments of the society which have not been able to participate and contribute in the growth of the economy. The ultimate goal of IOD Foundation needs to be provided with a strong foundation, which is stabilized with principles.

IOD Foundation has started its activities from the day of its formal registration. Foundation has organized multiple social activities in association with number of social foundations like Nagrik Foundation, ActionAid Association and The Akshaya Patra Foundation.

Campaign for Covid Testing: IOD Foundation organized a special Covid testing campaign in New Delhi. With the rising cases of the Covid-19 virus in check, a campaign (#wecareforyou) was launched with the aim of ensuring continued good health and safety of the workforce and their families. Under this campaign, complimentary Covid-19 tests were carried out to ensure safety for all and the society at large.

Distribution of Blankets & Non-Perishable Food Items: IOD Foundation organized a Program under “**Warmth for the underprivileged**” at the Sangam Vihar Colony, New Delhi and distributed Blankets & Non Perishable Food items to the underprivileged people of underprivileged families of the colony. The Program was organized under the Covid-19 protocol. Face masks & Hand sanitizer were also provided to all participants. More than 30 underprivileged families participated in this program. They were from nearby slum areas of Sangam Vihar.

Education Support Program with Institution for the Blind School: IOD Foundation has organized an Educational Support Program with the Institution For the Blind School, Amar Colony, New Delhi with the Slogan “Bringing Light to the Blind”. IOD Foundation distributed P2 School bags, Pen drive & Other Stationary items to the blind students as per their requirements. IOD Foundation also distributed Non Perishable Food items to these students. Program was organized under the Covid-19 protocol. Face masks & Hand sanitizer were also provided to all participants. More than 40 underprivileged Blind students of their institute participated in the programme. The Institution for the Blind School is engaged with IOD Foundation to get support through various education support activities, which can lead to a positive impact on their growth. These activities are empowering the underprivileged blind students to promote inclusive social and national growth.

Education Support Program: IOD Foundation launched an “Education Support Programme” at the school for Remedial Class managed and run by Prachodana Social Service Society, IGNOU Road, New Delhi. Reeducation to school drop-outs and underprivileged children as a priority area. Gaps have been identified in on-going schools for the underprivileged children in terms of quality books, stationery and also nutritious food supplement. Approach in terms of providing appropriate support material has been identified in consultation with experts, and a 'support package' has been developed by the Foundation. IOD Foundation distributed stationery /text books/ and story books & food packets to launch this project. A total number of 60 underprivileged students, mostly children from the nearby slum areas are studying at this school. The Prachodana Social Service Society is engaged with IOD Foundation to get support through various education support activities, which can lead to a positive impact on their growth. These activities are empowering the underprivileged to promote inclusive social and national growth.

Distribution of Non-Perishable Food Items for Old Age Home: IOD Foundation organized a special function at Prachodana Social Service Society, 439/33, Pocket 12, Jasola Village, New Delhi-25, for distributing Non Perishable Food items to all, in Old Age Home. A total of 25 aged homeless people are being cared by the Prachodana Social Service Society, since long. Most of the people were picked up from the road side by the society. The

Prachodana Social Service Society is engaged with IOD Foundation to get support through various activities, leading to a positive impact on the aged homeless people. IOD Foundation recognized nutritious food as one of the basic requirement which had a gap, and therefore provided that support. The Foundation has launched this initiative and has committed to support through such nutritious interventions. IOD Foundation present at the function distributed Nutritious Food Packets, which contained non perishable food items, including Oat Meal, Milk Powder, Raisins, Glucose and other Nutritious items. This was a start of a long term activity launched by the Foundation to deliver care and support to the underprivileged, leading to a positive impact on their living. Continuous support of IOD Foundation will be ensured for this noble cause.

Akshaya Patra Foundation and in association with Nagrik Foundation and ActionAid Association during these difficult times of amid pandemic.

We share our special gratitude to those who had participated and supported voluntarily towards our mission.

Food for Everyone - Free Food Distribution: IOD Foundation, supported by The Akshaya Patra Foundation and in association with Nagrik Foundation and Action Aid Association, has provided Free Food Distribution, both Lunch and Dinner in different areas of Delhi. This initiative has been provided in 3 locations of Delhi – AIIMS, Govind Puri and Sangam Vihar throughout the month, for both Lunch & Dinner apart from the areas of Safdurjung hospital, Saritha Vihar & Indirapuram, Ghaziabad (UP). These free services have benefitted more than 60,000 people in the areas of Delhi & UP during these difficult times of amid pandemic in June 2

Distribution of Monthly Food Ration Kits: IOD Foundation also provided monthly food ration kits, (which required for a 4 members family) for more than 1100 underprivileged families in the states of Delhi, UP and Uttarakhand with the support of The

We have aimed to use our expertise and knowledge to support the needy communities of their basic requirements. in which we operate through our strategic initiatives and programs.

We are deeply committed to continue to create long-lasting impact in these communities.

But the ocean would be less because of that missing drop.”

- Mother Teresa

FREE FOOD DISTRIBUTION AND HEALTH CARE SUPPORT

IOD Foundation organized various programs to help the society's underprivileged during the month of August 2021. These programs were organized keeping in mind the basic necessities for the underprivileged. At IOD Foundation, the focus is upliftment of the people deprived and destitute of the bare minimum for living. For the month of August, the focus was '**Food and Healthcare**'; a need amplified due to the pandemic. All the programmes were organized with strict adherence to Covid-19 guidelines.

IOD Foundation organized these programs along with various charitable organizations and NGOs who came forward and supported our cause for the welfare of the underprivileged, namely **Gail India Limited, Akshaya Patra Foundation, Nagrik Foundation, Action Aid Association, SDG Choupal, Suvidha Bio Foundation, Rotary Club Gurgaon and ACT Grants**

Food for Everyone – Free Food Distribution

a) Food Distribution drive at Jasola Vihar

IOD Foundation organized a Food Distribution Drive (Lunch) at Shanti Ashram, Jasola Vihar, New Delhi on August 20, 2021.

The beneficiaries for this drive were the underprivileged people from the surrounding area of the Shanti Ashram in Jasola Vihar and children from the slums. The beneficiaries accounted for more than 250 people. To create safety awareness around Covid-19, face masks were also distributed.

Program supported by - Akshaya Patra Foundation, Nagrik Foundation and Action Aid Association

b) Food Ration Kit Distribution at Sarita Vihar and Sangam Vihar

IOD Foundation distributed monthly food ration kit to 125 families in Sarita Vihar area and Sangam Vihar area on August 19, 2021. Kit comprised of rice, sugar, pulses, necessary spices, wheat and refined oil and other items sufficient for a four member family. The initiative was organized under the Covid-19 protocol.

Program supported by - Akshaya Patra Foundation, Nagrik Foundation and Action Aid Association

c) Food Ration Kit distribution at Dehradun

IOD Foundation in collaboration with various NGOs/ Charitable Organizations, extended its support to the underprivileged by distributing monthly dry-food kit for more than 1000 families in Dehradun on August 03, 2021. The dry food kit comprised of rice, sugar, pulses, necessary spices, wheat and refined oil sufficient for a four member family.

Program supported by - Akshaya Patra Foundation, Nagrik Foundation and Action Aid Association.

Healthcare Support Camp at Old Age Home

IOD Foundation organized a healthcare support camp for the Old Age Home at Shanti Ashram, Jasola Vihar, New Delhi on August 20, 2021. More than 25 beneficiaries were provided with adult diapers. The beneficiaries are being cared by Prachodana Social Service Society, mostly the people picked from the road side, requiring medical attention, food, shelter and care. The beneficiaries were provided with cooked food, face masks, hand sanitizers, disinfectant items such as Dettol, Lizol and Vipers, and nutritious food kit containing glucose biscuits, energy drinks such as Glucon-D, oats, juice, etc.

This initiative was funded and supported by GAIL India Ltd. as part of their CSR initiative.

This program is in continuation to IOD Foundation's first initiative to care for Old Age Homes in 2020, where nutritious food packets and non-perishable food items were distributed. At IOD Foundation, we believe in long-term and continued support to care and support the underprivileged, leading to a positive impact on their living.

Program supported by - GAIL India Limited and Suvidha Bio Foundation.

Free COVID-19 Vaccination Drive at Gurugram, Haryana:

IOD Foundation organized a vaccination drive camp beginning August 19, 2021 benefiting around 1600 people on the first day and is working for the cause every day. The camp is getting successful in reaching to its goal of 50,000 vaccinations with the help of our project partners. **Mr. Rajeev Ranjan, IAS**, Commissioner, Gurugram who inaugurated the camp on August 25, 2021.

This camp aims to work for the marginalized at risk population in Gurugram. This initiative was carried out to help the vulnerable communities in populous cities and preventing them from outbreaks in the third wave of COVID-19.

Program supported by - ActionAid Association, Nagrik Foundation, Rotary Club Gurgaon, SDG Choupal, and ACT Grants.

MEDICAL EQUIPMENT DISTRIBUTION DRIVE

for Underprivileged Category
(Medical Beds, Wheelchairs and Adult Diapers)

IOD Foundation with the support and CSR initiative of GAIL India Ltd. in association with Suvridha Bio Foundation had donated Medical Beds, Wheelchairs and Adult Diapers to Aanchal Foundation, Rohini, Shanti Ashram, Jasola and differently abled population of Indirapuram, Ghaziabad.

Some of the differently abled people of surrounding areas of Indirapuram, Vaishali, Vasundhara and Loni who constitute a valuable human resource for the country and just a little help from our side can help in making a big difference for them. IOD Foundation came forward and donated Medical beds and Wheelchairs to the most deserving people.

Distribution of Medical Beds and Wheelchairs at Indirapuram

Aanchal Foundation – Centre for Differently Abled Children has been blessed with 52 special children and they are taking care of these children with a team of experienced staff in providing them with functional academics training including pre-vocational skills, counseling and pscho-social rehabilitation activities. The students require wheelchairs, medical beds and diapers from time to time. Aanchal Foundation is backed by various Government and Non-Government Organizations. IOD Foundation also came forward and donated Wheelchairs, Medical Beds and Adult Diapers to the differently abled children.

Distribution of Medical Beds, Wheelchairs and Adult Diapers at Aanchal Foundation

JOIN HANDS FOR A GOOD CAUSE

The beneficiaries of Shanti Ashram Old Age Home are being cared by Prachodana Social Service Society. Most of the people were picked up from the road side by them who required medical attention, food, shelter and care. They are at a stage of life where they require medical support through medical beds and adult diapers. IOD Foundation donated Medical Beds and Adult Diapers to the destitute.

Distribution of Medical Beds and Adult Diapers at Shanti Ashram

We have distributed 20 wheelchairs in Indirapuram and 5 wheelchairs in Aanchal Foundation adding to 25 wheelchairs.

We have also distributed 18 Medical beds in Indirapuram, 5 at Aanchal Foundation and 2 at Shanti Ashram adding to 25 Medical Beds.

We have also distributed 30 Packets of Adult Diapers among Aanchal Foundation and Shanti Ashram.

Number of Social organizations were associated and voluntarily supported to this program namely ActionAid India Association, Nagrik Foundation, Pal Care Foundation, Chronic Pain India etc. IOD Foundation has been doing multiple activities to help the underprivileged during these difficult times of Covid-19. They organized Medical check-up camp in August as well at Sarita Vihar, New Delhi where hundreds of patients were helped and provided with free medicines. They have also been distributing free cooked food, ration kits, Covid-19 tests, free Covid-19 vaccination camps, etc. in different parts of Delhi-NCR with the support of their MOU partners

Lt.Gen. J. S. Ahluwalia (Retd.)
President
IOD Foundation

“ The 'IOD Foundation' was only recently set up to provide a 'support system', for serving to take care of pressing current social and economic issues of our people, still struggling below the poverty line. I am glad that the 'IOD Foundation' is strictly abiding by the highest principles of 'good governance' in true letter and spirit. It has already formally adopted a strict 'code of conduct' for its staff.

Since 'IOD Foundation' as a non-profit organization, was basically set up to support the corporates and other private and public sector organizations and government agencies, for usefully channelizing their mandatory CSR expenditures, charities and donations as per their own plans for branding and the desired impacts on the society. I congratulate the Secretary General and his team number of free volunteers for having successfully completed a number of projects, during this short period, dealing with Medical check-ups, medicines and equipment (beds and wheel chairs), Blood Donation and meals for the poor, and needy areas of Delhi & NCR. ”

Pradeep Chaturvedi
Vice President
IOD Foundation

“ IOD Foundation, a non-government organization, has been established two years back to create survival and income generation capacities through skills development, with focus on good business practices, in poor and deprived in the country. In view of the pandemic the Foundation was looked upon to help the needy with survival and relief measures.

A large number of migratory labour is in search of opportunity. Survival has become the responsibility of all and that needs support from every quarter. Globally every government has focused on health services and nutrition so that the covid affected could lead a good quality of life. Realizing that IOD Foundation has sound capacity to manage such situation PSUS, NGOS and other organizations are joining hands to support masses out of difficult situation. I am glad that under the fund support of GAIL, a public sector organization, and with the help of other likeminded organizations, IOD Foundation has already supported thousands and is in the process to help more in future

I earnestly feel that we support the persons in distress also with capabilities to earn a decent living and share our capacities to strengthen them. Our Foundation will continue to do it in multiple ways. ”

Reji Mathew
Secretary General
IOD Foundation

“ We at IOD Foundation proudly feel that we have been doing multiple activities since its inception, although we are just 2 years old organization committed to provide the services to the underprivileged people mainly from Delhi & NCR even the during these difficult times of Covid-19.

We have served more than 1 Lac people for the last 2 years in terms of providing meals, Food ration kits, Medical check-up with medicines & diagnosis, Blood Donation Camps, Covid-19 tests, free Covid-19 vaccination, healthcare support program at the old homage, distribution of blankets, Educational support for the blind school, Books & stationary for the street children's etc with the support of our MOU partners like The Akshaya Patra Foundation, Nagarik Foundation & ActionAid India Association.

Our dedicated volunteers are committed to do our continued efforts to reach out the maximum people for the benefit of poor. we are also planning to do the skill development programs for the financially weakened section in future. We request everyone support for this noble cause and let us join hand together for the brighter future for everyone. ”

IOD Foundation distributed more than 300 Dry Food Ration kit to Jeevandeep Kushta Ashram at R K Puram & other colonies of Delhi supported by The Akshaya Patra Foundation

New Delhi: IOD Foundation in association with ActionAid India and Nagrik Foundation with the support of The Akshaya Patra Foundation organized a Dry Food Ration kit donation drive at Jeevan Deep Kushta Ashram in RK Puram on 2nd October 2021 comprising of rice, wheat, sugar, pulses, essential spices, refined oil, notebooks, masks, sanitary pads, soap, toothpaste, toothbrush, packets of biscuits, etc. to the Leprosy Ashram residents of R.K Puram as well as underprivileged population of New Moti Bagh, Sangam Vihar & Jasola. More than 300 families were directly benefited through this drive. Volunteers of IOD Foundation took the initiative of this noble cause. Jeevandeep Kushta Ashram at R K Puram has been accommodating around 75 families of Leprosy patients from past 25 years. They are not only dealing with clinical disease but also social, financial and psychological diseases. These families were rejected from their societies and villages as a result of which they found their new abode and friends in this colony.

New Delhi: IOD Foundation in association with Suvidha Bio Foundation organized its **03rd Free Medical Health Check-Up Camp** with free medicines at Okhla Phase-I on Sunday, **December 12, 2021**, supported & CSR initiative by GAIL India Limited for underprivileged people.

Entrance of the Venue

The promotions for free medical check-up camp started a week before the day. Banners were displayed in and around areas of of Okhla Phase-I/Phase-II, Indira Camp, Sanjay Colony and pamphlets were also distributed. As the camp was targeted towards underprivileged, IOD Foundation conducted free diagnosis of patients and distributed free medicines according to the prescription by doctors to the patients. After the diagnosis and distribution of medicine, refreshments were also given to the patients containing juice box and biscuits, etc.

Registration in Progress

The specialized doctors from Eye, ENT, Dentists, General Physicians, Homeopathy, General Medicine & Pain diagnosed the patients. Health awareness program was also part of this camp at the same venue. ‘NUTRITIOUS DRY FOOD KIT DISTRIBUTION’

Jeevan Deep Kustha Ashram
R.K. Puram, New Delhi

March 26, 2022

IOD Foundation in association with “**The Akshaya Patra Foundation**” organized a **Nutritious Dry Food Kit Distribution** drive by the IOD Foundation volunteers on **March 26, 2022** at **Jeevan Deep Kustha Ashram , R.K Puram**, New Delhi, comprising of Rice, Wheat, Sugar, Pulses and other nutritious food items. Jeevan Deep Kustha Ashram, R.K. Puram has been accommodating hundreds of leprosy patients. They are not only dealing with clinical disease but also social ,financial and psychological diseases. These families were rejected from their societies and villages as a result of which they found their new adobe and friends in this colony. The Ashram came up in a narrow strip of land near the drain 25 years ago. IOD Foundation also did the same program earlier in October 2021.

'**Nutritious Dry Food Kit Distribution**' drive also covered other parts of Delhi & NCR, around 200 families were benefited through this initiative.

ABOUT IOD FOUNDATION

Charity and philanthropy have formed the core of every society across the globe. The Indian scenario is no different. But what had started with the giving away of aims, establishment of inns for travelers or even arrangements of drinking water on highways, has outgrown into something much more homogenous. The formation of foundations, trusts, societies, and company's not-for-profit go a long way, in justifying the above statement.

It is more than imperative that each 'IOD Foundation' abides by principles of good governance in true letter and spirit. It is a vehicle for undertaking activities of charitable and philanthropic nature, which seek to promote the goals of inclusive growth and development in the economies globally.

IOD Foundation acts as a support system by taking care of, serving and addressing certain pressing issues in the economy. Protection of Children Rights, Women Empowerment, Senior Citizens, enabling persons with disabilities, promoting education, Health, Natural Resource Management, supporting development of agriculture, promoting art and craft, preserving the cultural heritage, etc. are just an indication of the vast variety of areas in which it can work to bring about a difference in the society.

Since 'IOD Foundation' relies on money from various sources, including individual donors, foundations, corporations, and governments, it is its utmost responsibility to ensure highest standards of good governance in managing and carrying out its affairs. Though the Code that follows does not attempt to enlist all applicable legal requirements for charitable entities, yet it is intended at prescribing a set of principles and standards which are to be adopted by 'IOD Foundation' on a voluntary basis to ensure enhanced levels of transparency and good governance in its functioning.

IOD Foundation may take necessary steps to provide for an online platform to encourage and promote e-filing of forms and disclosures for greater transparency.

'IOD Foundation' has been setup to support the cause of upliftment of the segments of the society which have not been able to participate and contribute in the growth of the economy. The ultimate goal of IOD Foundation needs to be provided with a strong foundation, which is stabilized with principles.
