### ABOUT IOD FOUNDATION

#### Empowering Communities, Enabling Change

At **IOD Foundation**, we are more than a non-profit organization – we are a movement committed to driving impactful change where it's needed the most.

We specialize in partnering with corporates, public and private organizations, and government agencies to transform their CSR initiatives, donations, and charitable efforts into meaningful action. Whether it's building your brand through social impact or creating lasting change, we provide professional support to ensure your projects make a real difference.

#### Making a Difference, Together

From **protecting children's rights** to **empowering women**, **supporting senior citizens**, **enabling persons with disabilities**, and **promoting education, healthcare, and natural resource management** – We address the most pressing issues affecting society.

#### Join Us in Building a Better Tomorrow

With IOD Foundation as your partner, your efforts will go beyond compliance – they will spark transformation. Together, let's uplift communities, create opportunities, and build a stronger, more inclusive future.

## HEALTH CARE FOR ALL

### OUR OBJECTIVES

1. Provide guidance and support to corporate entities in successfully achieving their Corporate Social Responsibility (CSR) goals.
2. Conduct comprehensive social research and publish findings to contribute to national progress and development.
3. Strengthen women's capacities through targeted programs that enhance skills and expand career opportunities.
4. Collaborate with government agencies to implement social development initiatives that stimulate sustainable economic growth.
5. Facilitate job creation by offering vocational training and launching livelihood programs for marginalised and differently-abled communities.
6. Promote the transition to renewable energy and advocate for environmentally sustainable practices to protect the planet.

### KEY AREAS OF FOCUS

#### Skill Development

- Promote employment through vocational training and livelihood enhancement projects.
- Support MSMEs and startups by enhancing their corporate governance capabilities.

#### Environmental Action

- Assist corporates in implementing environment-friendly projects to achieve ecological balance.

#### Community Involvement

- Partner with government agencies and stakeholders to implement social development programs, including healthcare for the underprivileged.

Through collaboration, innovation, and commitment, IOD Foundation strives to create meaningful change and contribute to building a better tomorrow for all.
