COVID-19 VACCINATION SUPPORT

ABOUT IOD FOUNDATION

'IOD Foundation' as a 'non-profit organization', was basically set up to support the corporates and other private and public sector organizations and government agencies, for usefully channelizing their mandatory and desired CSR expenditures, charities and donations, as per their own plans for branding and the desired impacts on the society.

'IOD Foundation' supports the corporates in implementation of their projects, in the cause of upliftment of the needy segments of the society. The 'IOD Foundation' provides a strong professional support for implementation of corporate CSR projects.

'IOD Foundation' acts as a support system for taking care of serving and addressing certain pressing issues of the economy, like 'Protection of Children's Rights', 'Women Empowerment', help Senior Citizens, enable persons with disabilities, promote Education, Health, Natural Resource Management, support development of agriculture, promote art and craft, preserve the cultural heritage, etc. These are just an indication of the vast variety of areas, in which it can work to bring about a difference in the society.
